

### Free Heat Plan Questionnaire

If you would like to see what the Ecco Stove could do for your home, we offer a free estimate service from drawings and floor plans to demonstrate what the Ecco Stove could potentially achieve in your home.

We would need an on-site survey to be carried out by Ecco Stove Ltd or authorised dealers to confirm these estimates.

All we need from you is:

|    |          |  |
|----|----------|--|
| 1. | Name:    |  |
| 2. | Phone:   |  |
| 3. | Address: |  |
| 4. | Email:   |  |

5. A drawing or floor plan showing the each room in the property along with doors, staircases and any points we might need to be aware of. (such as floor to draughty windows, doors to outside, exposed property location and solid masonry or cavity walls).

6. The location/s you could have or would like the stove installed.

7. The insulation values e.g poor, average or high or if possible, an EPC certificate.

8. Is the property single or double glazed?

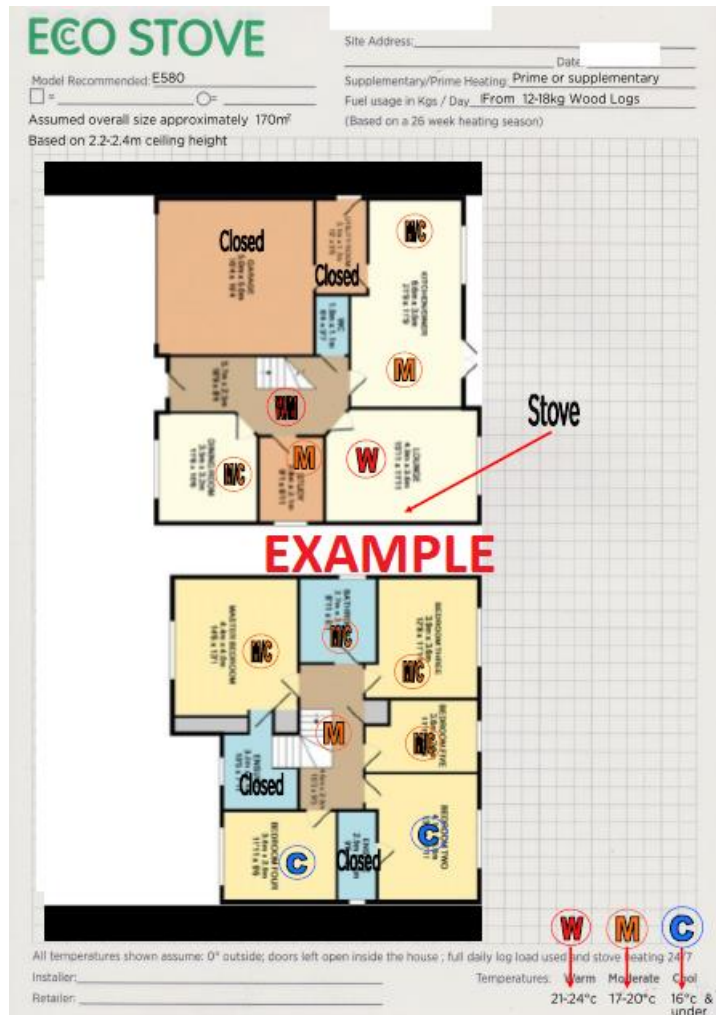

9. What is the ceiling height?

10. What is the overall size metres or feet square of the property per floor?

We can only base the heat plan on the information provided so if you feel there is anything else we need to consider in our estimates please add them to the notes below:

**Notes:**

### Heat plan example:

There may be a cost for a site survey depending on your location and the nature of the works you require Ecco Stove Ltd to carry out. Please speak to our customer service team for more information.
